

CONNECT PEOPLE, PROCESS, AND INFORMATION ANYWHERE

With our web-enabled solution, and Microsoft Office SharePoint Server, we can help your organization by providing comprehensive content management and enterprise search, accelerating shared business processes, and facilitating information-sharing across boundaries for better business insight.

GENERIC SOLUTIONS THROUGH RESEARCH AND DEVELOPMENT

AEVITAS CONSULTING always focuses on research and development. We tap on our knowledge and experience from our implementations to develop and make available generic solutions which can be used by all our customers.

INDUSTRY SOLUTIONS BASED ON IN-DEPTH KNOWLEDGE OF BUSINESS PROCESSES

AEVITAS CONSULTING understands that the only industry that matters to you is your industry. Even though we cater for generic industries, we build specific vertical industry solutions for your industry. Our solution sets are based on an in-depth knowledge of the processes that move your business, small, midsize, or large.
